Arrive, take a seat and enjoy

Our cuisine is characterised by the Veneto way of life – clear, sensual and contemporary.

We use seasonal ingredients from the pantries of the world, without losing sight of our roots.

Every evening is synonymous with sophistication, emotion and moments of pleasure.

Our aim is to create a harmonious overall experience in which taste, product and creativity are in perfect balance.

The result is a tasting menu that tells the story of our culinary vision,
course by course and moment by moment.

5 courses € 185,-

7 courses € 245,-

Our dishes are created in harmony with nature and change with the rhythm of the seasons.

Fish and seafood feature prominently on our evening menu.
