

Summer Menu

– C'est Venice –

"Fai Tu" is a Venetian expression that roughly means, "You decide."

Much like the traditional Japanese Omakase, you place your trust in me to create a memorable dining experience.

With Fai Tu, you are invited to rediscover how wonderful it is to take a culinary journey, free from decisions.

Sit back, trust my kitchen, and let me guide you through the evening, one course at a time.

5 courses _____ 165,-€

7 courses _____ 200,-€

Upgrades available on request during your visit.

Fish and seafood are an essential part of my evening menu.

I am happy to accommodate allergies and dietary intolerances only upon prior request.

I look forward to welcoming you and creating memorable culinary moments for you.
