Autumn Menu

– Fai Tu –

"Fai Tu" loosely translates as "I'll follow your lead."
An expression of trust and surrendering to the moment.

Discover new flavours and enjoy the freedom of not having to make every decision yourself for once.

Sit back, relax, and let me guide you through the evening, course by course.
A little escape from the everyday — personal, surprising, and shaped entirely by my culinary DNA.

5 courses _____ 165,-€
7 courses _____ 200,-€

In autumn, our culinary journey takes us further inland, into the Veneto region and towards Trentino.
The flavours become earthier, more distinct, and more authentic.
The dishes evolve in harmony with the seasonal offerings of nature.

I can accommodate allergies and intolerances only if discussed with me in advance.

I look forward to creating memorable moments of pleasure for you.
